

“For we are laborers together with God ...” 1 Corinthians 3:9

June 27, 2012

Dear Brothers and Sisters in Christ,

Many changes have occurred in the past few months in our personal life as we have moved our things into storage and are now spending our time traveling to speak of TeamWorkers Abroad and to help our children. Pray for us that more might hear about the opportunity for ministry through TeamWorkers Abroad.

Dominican Republic—immediate reply needed

The deadline to determine if there will be a trip to Dominican Republic to build a guest house is coming IMMEDIATELY. Inquiries and determination must be made that you are going by July 1 for the trip September 14-28. There is a minimum of four people required for a team to go. If you can make plans to go in that short amount of time let myself know at 563-271-1265 or Scott Nordstrom at 402-573-5432. Pray for the Lord's direction in all our lives.

Quiniatla, Mexico report

In May Tim DeJong was near Rio Blanco, Mexico with his youth group and remained after they left to supervise more work on the chapel building in Quiniatla. Continue to pray for the work there as many are being saved in the villages around the area and there is a need for buildings to meet in.

Bogota, Columbia postponed

The expected trip to the camp near Bogota, Columbia in July has been postponed until October due to a lack of material being available at this time. Pray for the supply of the material and people being available for the trip. Reply to myself or Jon Routley at 563-588-2750 by August 1 if you are available to go.

Pueblo Nuevo, Peru

Plans are still in processing for the trip to Peru January 2013.

More projects

We are making contacts with other missionaries to see what the needs are for the coming year. Pray for us as we determine where the Lord would have us work.

For the board,

Fred V. Scott
