To whom it may concern:

The saints at High Point Bible Chapel, along with the elders and deacons, commend Fred Scott to the grace of the Lord Jesus as he travels to serve the Lord with Team Workers Abroad.

Fred and his wife Sue have been in fellowship with the saints at High Point for many years. Fred has served as an elder, and together they have served faithfully in many areas of the work here. In his retirement, Fred has become involved with Team Workers Abroad and has expressed a desire to see this ministry grow.

Team Workers Abroad is an autonomous ministry that organizes teams of skilled and unskilled workers to aid in construction projects for assembly missionaries in foreign countries. Since this is a relatively new ministry, Fred has volunteered to publicize it by presenting the work at assemblies and conferences in the United States. We understand that the need for this traveling work should diminish as the organization becomes better known.

We commend Fred and Sue to the Lord's care. We will support them in prayer as they continue this work.

Fred appreciates opportunities to present the work of Team Workers Abroad. He may be contacted at fred@teamworkersabroad.org.
